

SCHWEITZER CHAPEL

POLICY FOR RETREAT USE

Winter Ski Season 2017-2018

Thank you for your request to use Schweitzer Chapel for a retreat. The Chapel was built through the vision, energy, and contributions of many people as a place where young and old can find enjoyment, inspiration, and fulfillment. The facility is available for use by Christian churches and organizations with a priority for junior and high school youth during the ski season. The following policy has been adopted by the Schweitzer Chapel Board of Directors which reserves the right to choose who may use the facility.
