

SCHWEITZER CHAPEL NEWS!

MERRY
Christmas

After a surgery complication left me with some difficult problems the past two years, I've been contemplating all of the things in my life I took for granted before surgery.

In this new awareness, I started writing down and paying more attention to the everyday blessings in my life, not wanting to make the same mistake twice.

The Schweitzer Chapel is something else we may take for granted at times. What would happen if we all saw our unique Chapel with fresh eyes and appreciated it anew?

What if we took 45 minutes on our Saturdays at the mountain this season to pause and worship in community? What impact would that have on our minds, hearts, and souls? How would that add to the richness of our experience at this special mountain we get to call home? Or what if you told the Youth Leader in your church or parish about the opportunity they could have to host a weekend retreat for kids at the Chapel?

The holidays are a time of WONDER. Let's bring that wonder into our everyday experience, recognizing the gifts right in front of us, including the Schweitzer Chapel. Please consider joining us for Christmas Eve, and again at our Saturday services this season. We'd love to see you!

With peace + joy!

Krista Gilbert (Chapel Board Member)
